“But Times Do Change and Move Continuously.”

... Edmund Spenser, *The Faerie Queen*

"Mrs. Klamm, can I borrow a pencil?"

"Mrs. Klamm, do you know where Mr. Hyland is? I had an appointment

"Hey, Mrs. Klamm, I have a small problem. Can you help me?"

These are just a few of the hundreds of questions put to Mrs. Klamm everyday, and believe it or not, she usually has the answers

You can't pick out one prominent trait of Mrs. Klamm. Her vitality, skills, and smile all melt together into one extraordinarily helpful human being. In fact, helping others with an ever-cheery voice seems to be Mrs. Klamm's profession. Whether typing standard papers, lending a hand at the main desk, or making counselling appointments, she always manages to help a hapless student fill out a last-minute SAT application, find where his history class is meeting, or decide what English to take the coming semester until she's managing three things at once with her usual efficiency

When she's absent, the echo of "Where's Mrs. Klamm?" never dies from the office, and to many her half-hour lunch break seems twenty-nine minutes too long

So, Mrs. Klamm, in appreciation of your irreplaceable help in overcoming our rough spots, we the Class of 1970 dedicate to you our Olympiad!

SENIORS

Lost, yesterday, somewhere, sunset, two golden

Girl's State

Last summer I spent eight days as a representative to Girl's State at the U C. Davis campus. The purpose of the session is to acquaint the girls with the procedures and mechanics of our government on all levels. As a resident of Birby Hall, I was a member of Kelsey County and a citizen of Fremont. By conducting elections and party rallies, as well as having lectures by illustrious speakers, Girl's State proved to be a valuable learning experience. The most rewarding of my experiences was the girls themselves. Six hundred strangers on Monday left Davis as dear and lasting friends. The generosity and enthusiasm of the girls made Girl's State an experience I will cherish. I am most grateful to the American Legion for selecting and sponsoring me to the 1969 session of Girl's State.

Last summer I was given the opportunity to represent Awalt at the California Boy's State Convention held in Sacramento. At this convention eight-hundred and fifty students from high schools all over the state met to learn about and practice the system of government of the state of California. It was also an opportunity to meet and exchange ideas with all kinds of different people, both students and adults. I would like to thank the American, which sponsors and runs Boys' State each year, and Walt High, for making it possible for me to share in this worthwhile and broadening experience.

The Varsity Football team completed its most successful year in the history of Awalt High School. They finished with a record of eight wins and only two losses. Top players on Awalt's squad were given league and regional recognition for their outstanding performance.

A winning streak of eight consecutive victories put Awalt in the race for the league championship. At this point, the previously unobtainable was reached. The varsity football team beat its most bitter rival, Los Altos, in a 14-0 shut-out game. This was certainly the highlight of the season.

The efforts of the team well merited the second place position they earned in the league's final ranking.

Awalt's Junior Varsity Football Team opened their season with relatively easy wins over Peterson, Mountain View, and Sunnyvale. It was not until the fourth game that they showed the strength and depth which was to carry them to the most victorious season a Junior Varsity team has seen at Awalt. Behind 20-0 in the fourth quarter, Awalt rallied to tie Homestead 20-20. After more wins, the team played their best game against Los Altos, defeating their arch-rivals with a score of 30-14. In their bid for the S.C.V.A.L. title against Cupertino, the Spartans fell short, but returned in their finale to down Buscher and retain their second place standing.

Casey at the Bat

It looked extremely rocky for the Mudville nine that day,
The score stood four to six with but an inning left to play.
And so, When Cooney died at first, and Burrows did the same,
A pallor wreathed the features of the patrons of the game.
A Straggling few got up to go, leaving there the rest
With that hope that springs eternal within the human breast.
For they thought if only Casey could get a whack at that,
They'd put up even money with Casey at the bat.
But Flynn proceded Casey, and likewise so did Blake,
And the former was a pudding, and the latter was a fake;
So on that stricken multitude a death-like silence sat,
For there seemed but little chance of Casey's getting to the bat.

AFS Club

Ken Darrow - Mr. AFS

In 1969, I was chosen to represent Awalt high school in the AFS Americans Abroad program. I spent the summer in France, living with French families in Le Mans and Marseille. Highlights included a twenty-five mile canoe trip, a wild soccer game, and many new friends.

The AFS experience is a tremendous one. I feel closer to all of the people of the world, for basic human qualities are the same everywhere. My wonderful families and friends have made a lasting impression in my mind. Overall, this experience has changed my philosophical outlook considerably, and broadened my scope of awareness and interests.
